

THE MAFFAA JOURNAL

January 2019

Message from Editor-in-Chief

Welcome to 2019 and Happy New Year fellow MAFFAA supporters!

As we begin another year and chapter together, I would like to take this opportunity to personally extend my sincere best wishes to each and every single one of you. 2018 was truly a remarkable year for me and the rest of our Board of Directors and we are confident that your continued support will only help us to achieve even more in 2019.

May our shared path in the arts and humanities continue to guide us in our all of our endeavors, both personal and professional! As always, we consistently value thoughts and suggestions would like to once again highly encourage you to directly voice them if so inclined to help us to better improve our programming efforts both here in the Mid-Atlantic region of the United States and all across the globe.

May this New Year be filled with much hope, success and peace for you and your loved ones!

Respectfully,
Patrick Realiza
