August 2017

Message from Editor-in-Chief

Welcome to August! This past month, I had the pleasure of conducting a number of **diplomatic visits** to the various foreign missions here in the District of Columbia through my role as the **Chair of the Sustainable Development Committee** for the United Nations Association of the National Capital Area (UNA-NCA).

Indeed I am grateful for the continued opportunity to **elevate the salience of the arts and humanities** in every facet of our society.

Meanwhile, my fellow **Co-Executive Director Dr. Lorna Imperial Seidel** also participated in a number of community events including the monthly Filipino mass at the **Shrine of St. Jude Catholic Church in Rockville, Maryland** as well as the chance to participate in the **38th Philippine Nurses Association of America (PNAA) National**

Convention in Florida.

We hope your summer has been as eventful as ours! **Stay tuned #MAFFAA supporters!**

Respectfully,
Patrick Realiza
Co-Executive Director, Mid Atlantic Foundation for Asian Artists, Inc.
