March 2016

Message from Editor-in-Chief

Welcome to the **March 2016** edition of the **MAFFAA Journal**! Hoping you had a great February and are looking forward to the coming seasonal change of spring! As MAFFAA continues to deepen its **new partnerships in the arts**, its Executive Board has been hard at work pursuing key community contacts and relationship both **within and outside the Asian and Asian-American** communities.

Examples of these include a tour and site visit at the **2016 Black History Month Celebration** at the Reginald F. Lewis Museum in Baltimore, Maryland and the **Chinese New Year** celebration in the Philippines.

We hope that you will continue to stay tuned and active with us in the arts this spring, most especially as we seek to **launch a new set of initiatives** aimed at the re-branding of our organization. This re-branding will include a number of new releases such as the eventual **debut of a newly revamped website** and much more!

Happy (early) Spring!

Respectfully,
Patrick Realiza
