October 2016

Message from Editor-in-Chief

Welcome to October! Hard to believe that we are now in the last three months of this year! On behalf of MAFFAA's Executive Board of Directors, **I extend our gratitude for your continued support.**

This past month, **we launched our inaugural production of *Le Opera Noli Me Tangere*** in Richmond, VA at the **Historic Henrico Theatre**. Inspired by the past successes in Chicago, New York and Washington, D.C., we are confident that this new beginning will **continue to pave the way in elevating the profile of the arts** in mainstream America.

Throughout this month, **I encourage you to make the journey to Richmond** to experience the vivid and important story of passion, independence and betrayal that have captivated audiences from all walks of life.

Interested MAFFAA members and attendees should visit <http://www.capitoperarichmond.com/upcoming-shows/get-tickets.html> for complete details.

Respectfully,
Patrick Realiza
