March 2018

Message from Editor-in-Chief

Welcome to March! It is spring yet? Yes, indeed February was a eventful month. From **New York to the Pacific Ocean**, MAFFAA was in full force! Perhaps our most important event was the launch of next installment of **Le Opera Noli Me Tangere** in Honolulu, Hawaii.

As a write this edition, my fellow **Board of Directors** including **Dr. Lorna Imperial Seidel**, **Mr. Matthew Aninzo** and **Major Ramon Sumibcay** are hard at work with our partners in Hawaii.

Be sure you stay tuned for the post-event recap! As a reminder we will be having our full debut of this production this summer. **Have you purchased your tickets yet?** If not, please don't hesitate to contact us! **We'd love to see you this June in the Aloha State!**

Aloha and Mahalo!

Respectfully,
Patrick Realiza
Co-Executive Director, Mid Atlantic Foundation for Asian Artists, Inc.
