May 2019

Message from Editor-in-Chief

Welcome to May 2019 fellow MAFFAA supporters!

Spring seems to be in full force all across Washington, DC and surrounding local reciprocities. Indeed, this was another memorable month for me as I hit the ground running shortly after my return from East Asia.

Some key highlights in April include participating in a local ideathon at Georgetown University where I had the privilege to serve as an expert judge on various sustainability-based projects. In addition to this unique opportunity, I also had chance to emcee two key professional development workshops on tax strategies and copyright and trademark law through the Government of the District of Columbia's Commission on the Arts and Humanities.

Furthermore, I also had the pleasure of ushering the start of the Catholic Easter season with His Excellency Archbishop Christophe Pierre at the Basilica of the National Shrine of the Immaculate Conception.

In closing, I am truly humbled to have been afforded with such awe-inspiring opportunities and will only seek to achieve more on behalf of MAFFAA for the remainder of 2019 and beyond.

Respectfully,
Patrick Realiza
Co-Executive Director, Mid Atlantic Foundation for Asian Artists, Inc.
